REMARKS

The foregoing Amendment and the following remarks are filed in response to the Office Action issued on December 9, 2004 in connection with the above-identified application.

Claims 1, 3, 4, 9, 10, 11, 13, 14, 19, and 20 remain pending in the present application. Claim 1 has been amended to include the subject matter of claims 2 and 5, and accordingly such claims 2 and 5 have been canceled. In addition, claims 3 and 4 have been amended to depend directly from claim 1, and claims 6-8 have been canceled as being inconsistent with newly amended claim 1. Claims 11-20 have been similarly amended. Applicants respectfully submit that no new matter has been added to the application by the Amendment.

The Examiner notes that claims 5 and 15 are allowable but for their dependency from rejected base claims. Accordingly, independent claims 1 and 11 have been amended to include the subject matter of such claims 5 and 15, respectively, including intermediate claims 2 and 12, respectively. As a result claims 1 and 10 and all claim depending therefrom are now allowable.
